## Badminton Silver Medallists!

Earlier this term, we entered a year 7 boys team and a year 7 girls team into the Primary School Badminton Championships. Both teams were very successful winning silver medals. Each team consisted of four players and each player played a singles game and a doubles game against other school teams. I would like to congratulate both teams for their effort and fantastic result. I would also like to congratulate Deniel who demonstrated great sportsmanship volunteering to play for another school that were short of players and helping that team earn a bronze medal.

Boys team: Kacper, Dominik, Manas, Jai and Deniel

Girls team: Esther, Gloria, Navjote and Fareha

## NWJSA Knockout Cup Finalists!!!!

Our school soccer team has been competing in the North West Junior Soccer Association competition and have been successful in the cup competition making the **grand final** to be played on Friday 6<sup>th</sup> July. This is a fantastic achievement and I would like to wish them well for the final and congratulate them on their achievement so far. Many of the players have been participating in our inaugural soccer and futsal program, which has helped them improve their skills and knowledge.
